Nobles:-

At the special election you voted me your Potentate and I not only want to thank you for your confidence, but promise you all I have in me to do credit to the honored position.

The sad and untimely decease of our beloved Potentate, Adolph G. Voss, finds me filled with grief and I have but little comfort in the trend of events, but am determined to carry on with the projects he had arranged for this year's program.

In addition, there will be as many interesting affairs for the Nobles and their families as can be crowded into one year, and let it stand as a record for him and me.

With your co-operation all this may be made possible.

Won't you attend all our events — assist us in securing candidates — and revive your interest in Medinah Temple?

Let's go forward thru 1938 keeping Medinah the largest Temple in Shrinedom.

Yours in the Faith

*All have been working hard to give you a "surprise"
in entertainment.*

The Last Family Night was a huge success. Let us add more tons of food-stuff this year.

For Admittance on Family Night

Of course you will show your 1938 card and present a parcel of non-perishable food for each person in your party.

**This food all goes to the Shriner's
Hospitals for Crippled Children.**

In other words: The price of admission is a package of food; a can of corn or a can of soup; a peck of potatoes or a bag of onions; a package of oatmeal or a bottle of pickles, etc., etc.

This is our opportunity to help those who can't help themselves and in addition you'll enjoy a top-notch entertainment.

Important Announcement

It is the decision of the officers of Medinah Temple that we will not make a pilgrimage with the organized units to the Imperial Session of the A. A. O. N. M. S. to Los Angeles this June.

Business conditions are such that it seems unwise to spend the money for this purpose. However, there will be several nearby events that will justify our participating in this year and at which we will want all of our organizations to take part and these things we can do in a great, big Medinah way.

We are sure the Nobility will agree with us in this decision and give us their whole hearted support and declare this good business sense.

Yours in the Faith,

Edward W. Shepherd

In Memoriam

The large picture opposite is of Medinah Temple's Stage as decorated for the evening of March 11th, because of the cancellation of the Family Nite Entertainment due to the sudden demise of Potentate Adolph G. Voss on March 10th. Obviously all could not be notified of the cancellation, therefore, this memorial setting for the view of those who came to the Temple.

ILLUSTRIOUS NOBLE ADOLPH GEORGE VOSS 1873—1938

In the early afternoon of a busy day, on March 10th, 1938, while engaged in the discharge of his usual duties as Executive of a large industrial plant, our beloved Potentate, Adolph George Voss, "slipped his moorings and sailed away across the unknown sea, to the unseen shore."

The funeral bell has tolled its solemn notes and another great spirit has gone to its eternal home. But yesterday we enjoyed his kindly greeting, the genial presence and the wholesome fellowship of our beloved friend and brother, and today he sleeps that long last sleep which knows no awakening on this side of the grave.

Illustrious Noble Voss was born in Chicago on August 30, 1873, and all of his very active life was spent in our great city. Here he received his education; here he met and won the loving wife who bore him one son, Adolph George Voss, Jr., and both wife and son survive him; here he attained to a position of leadership in the business world; here the mysteries and beauties of Masonry were unfolded to him and his splendid abilities were recognized by his selection for many high honors. He served as High Priest of his Chapter several years ago and, at the time of his death, was Senior Warden of Gourgas Chapter of Rose Croix, Sovereign of St. John's Conclave (Premier) No. 1, Red Cross of Constantine, and Illustrious Potentate of Medinah Temple, and only last Fall the Supreme Council of the Scottish Rite had elected him to receive the Thirty-Third Degree.

In his home life, as a citizen, as a business man, as a fraternalist and as a Christian gentleman, he measured up to those high standards of excellence which are generally recognized as marking the successful life.

He knew the meaning and worth of true friendship and recognized the truth that "To have a friend you must be a friend," and the great throng who came to pay their last respects before he was laid to rest,

proved that he had indeed been a friend to many men. It may truly be said of him that "He added to the sum of human joy, and were every one to whom we did some loving service to bring a blossom to his grave, he would sleep tonight under a wilderness of flowers."

Our friend is gone but in the garden of our memory will ever grow the fragrant forget-me-nots to remind us of his splendid character and his many virtues. Masonry is stronger and better because he labored in its cause and the world is better because he passed this way, and we can find consolation in the assurance that some day on that far off shore and in a fairer clime, we hope to meet again.

"There is no death; what seems so is transition;
This life of mortal breath
Is but a suburb of the life Elysian,
Whose portal we call death."
